| <p>What a surprise! Just a single house from Lake Bradford stands this original owner home lovingly cared for and updated since 1955. Convenient to Tallahassee Airport, Tallahassee "Junior" Museum of Natural History and Science, The (FSU) Rez, the Engineering School/Mag Lab, the new golf course, and so much more. The open line of sight from the kitchen, past the breakfast bar, through the dining room, and into the family room promotes a heart of the home feeling. The cast iron stove, located between the dining and family rooms, will heat the entire home! Two bedrooms, a bath, and the living room are toward the front of the home while the master bedroom and bath are toward the back. An indoor laundry and all the kitchen cabinets you could ever want, Hardwood flooring under the carpet in the original part of the house. The neighbors remember buying fruits and vegetables grown on the property. The 1.55 acres is partially crossfenced to allow for animals in the back pasture and easy access to the covered carport. Covered front and back porches, storage sheds, open carports, and more! Must see!!!</p> <p><i>Listing Courtesy of KELLER WILLIAMS TOWN &amp; COUNTRY</i></p> |                                   |               |         |                     |                  |            |                    |     |                   |

## About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

## About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

## Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.
